Awka, Anambra State, Nigeria.

PROFILE

Final-year Higher National Diploma (HND) student in Quantity Surveying with hands-on experience in cost estimation, bill of quantities (BOQ) preparation, and construction measurement. Passionate about leveraging data analytics to optimize project costs and timelines. Advanced Microsoft Excel proficiency (PivotTables, VLOOKUP, Dashboard creation) combined with foundational skills in Power BI for data-driven decision making in construction and procurement. Seeking internship or entry-level roles to apply QS expertise and analytical mindset.

EDUCATION

Federal polytechnic, Oko, Nigeria

Higher National Diploma (HND) in Quantity Surveying.

SKILLS

- **Quantity Surveying:** BOQ Preparation, Rate Analysis, Take-off Sheets, CostX (Basic), CESMM4 Standards
- **Data Analytics:** Excel (Advanced – Macros, VBA, Conditional Formatting), Power BI (DAX, Visualizations)
- **Software:** AutoCAD (2D), Microsoft Project (Basic), Revit (Familiar)
- **Soft Skills:** Attention to Detail, Analytical Thinking, Team Collaboration, Time Management

WORK EXPERIENCE

Data-Driven Buying Behaviour of Nigerians Dashboard-Nov 2025

- Collaborated with a team to design clear, insightful data-driven Dashboard showing the Buying Behaviours in Nigerians using EXCEL.
- Performed data cleaning and preparation to improve data-set accuracy before analysis.
- Contributed to a market behavior analysis project on Nigerian consumer trends.

- Documented findings and presented actionable insights to enhance business understanding.

Measurement & BOQ for Classroom Block (Practical Attachment) – Sept 2024 – Oct 2024

- Measured architectural and structural drawings using CESMM4; prepared BOQ for 12-classroom facility (N45M budget).
- Applied VLOOKUP & INDEX-MATCH in Excel to cross-reference rates, minimizing errors by 95%.

CERTIFICATIONS

- Data Analytics – Learnwithwida, Ilorin
- Introduction to Power BI -Udemy

PROFESSIONAL MEMBERSHIP

- **Student Member**, Nigerian Institute of Quantity Surveyors(NIQS)- 2024
